390 RUE SAINT-JACQUES

Bord'Elle Boutique Bar and Eatery is a one of a kind gem situated perfectly in the heart of Old Montréal, nestled within the financial district on Saint-Jacques Street West and just a few steps from the hustle and bustle of Victoria Square. Bord'Elle perfectly balances classy European Boutique hotel stylings with creative cuisine and the gritty, infectious, high-energy nightlife ambiance that Montréal is renowned for.

Whether you're looking for an exhilarating after dinner drink and bite, a four-course gourmet meal or a refreshing night on the town, Bord'Elle is the key to unlocking all your desires while you're entertained by world class burlesque and aerial shows.

Vastly influenced by the roaring 20's, Bord'Elle recreates the naughty and nice glam and Gatsby grandeur of that era, while keeping sharply modern and avant-garde. Deeply passionate yet simply extravagant the overall theme personifies more is more.
